## CHAIRMAN'S REPORT

First I would like to thank the directors and staff for their kindness during my husband's illness and passing during the summer.

This past year has been a year of seeing the rewards of the procuring the new computers and software. By now most of you will be getting your pedigrees as printed directly from the office and not from an outside source. The new system has created a much faster more efficient flow of the documents through the office. I hope you have all checked out the website [www.clrc.ca](http://www.clrc.ca) recently. We have Glenn Clark to thank for the many new innovations which I'm sure he will be explaining to us during the annual meeting. We also have a new Powerpoint presentation in three languages; the creation of this is thanks to Bryon Wilson and Kim Lawton.

We will not know the real impact of the drought last year until the end of this year. The registrations for the past year have remained fairly consistent as with past years. I do hope that Mother Nature will be more agreeable this coming season and that we do not see the hardships many of our members endured last year.

New breed associations are joining this organization and we welcome them and trust that their members will be satisfied with the advantages of being members of CLRC.

In closing I would like to remind all member associations that if there is anything we can do to improve your association please bring it to our attention, we can all work together to the benefit of all.

Respectfully submitted  
Peggy Newman

## A PRÉSIDENTE

D'abord, je tiens à remercier les directeurs et le personnel de la SCEA pour leur amiabilité envers moi au cours de la maladie et du décès de mon époux.

Au cours de la dernière année, nous voyons les récompenses du nouveau système informatique et du nouveau logiciel. La plupart d'entre vous avez reçu les nouveaux certificats d'enregistrement qui sont imprimés directement sur place et non imprimés à l'estérieur. Le nouveau système a créé une façon de procéder qui est beaucoup plus efficace et rapide qu'au paravant. J'espère que vous avez tous visité le site internet de la SCEA au [www.clrc.ca](http://www.clrc.ca). Glenn Clark est responsable des nouvelles innovations et je suis certaine qu'il va nous offrir une explication lors de l'assemblée annuelle. Nous avons aussi une nouvelle présentation PowerPoint en trois langues. Cette présentation est la création de Bryon Wilson et Kim Lawton.

Nous ne savons pas à ce point quel sera l'impact total de la sécheresse que nous avons vécu dans l'ouest cette année – la fin de l'année devra nous fournir les réponses nécessaires. Les enregistrement de l'année dernière sont relativement constants. J'espère que la Mère Nature sera plus agréable dans la saison à venir et que nous aurons pas les mêmes conditions que l'an dernier.

Plusieurs nouvelles associations de race se joignent à la SCEA. Nous leurs souhaitons la bienvenue et espérons qu'elles seront satisfaites avec les avantages d'être membre de la SCEA.

En terminant, je tiens à aviser les associations membres de communiquer avec nous s'il y a quelque chose que nous pouvons faire pour améliorer votre association. C'est en travaillant ensemble que allons avoir du succès.

Sincèrement,  
Peggy Newman

## GENERAL MANAGER'S REPORT

The year 2002 at CLRC was one both of steadiness and progress. Although drought conditions prevailed in large portions of Western Canada, the seed stock industry continues to thrive, as reflected in the year's activity at CLRC. A total of 81,700 animals were registered and 26,541 transfers of ownership were recorded on behalf of approximately 13,000 members of the 52 member associations and 2 U.S. based associations, as well as in the General Stud and Herd Book and Canadian Identification Project. The total number of units processed exceeded those processed in 2001 by just over 1000, an increase of 0.67%.

The Canadian Maine-Anjou Association became a member of CLRC during the year and CLRC became their registry office as of January 1, 2003. As well, the Canadian Brown Swiss and Braunvieh Association rescinded its decision to withdraw from membership.

Ongoing work resulted in more information being available on the CLRC website, including all application forms, fee schedules, and breed association by-laws, in printable format. An increasing number of certificates for associations were converted to production on our colour printers, with almost 75% of total certificates now being printed in this manner.

At its fall meeting, the Board of Directors approved purchase of document imaging equipment to add to the computer system, replacing the microfilm technology that has been in use for permanent document storage. All applications and other documents received from breeders will now be scanned into the database for easier retrieval and reproduction by staff when required.

A major project underway for 2003 is revision of the electronic registration applications on the CLRC website to make them available for more breeds and to incorporate some edit checks during the application process in order that the data being submitted will contain less errors.

I appreciate very much the opportunity to serve as your General Manager and to work with breeders and association staff, and I thank the member associations for their continued confidence in CLRC services. As well, I extend my sincere thanks to the Board of Directors for their support and direction, and to the dedicated staff for their continued service.

Ronald K. Black  
General Manager

## RAPPORT DU GÉRANT GÉNÉRAL

L'année 2002 à la SCEA en était une d'assiduité et de progrès. Malgré les conditions de sécheresse dans plusieurs régions de l'ouest canadien, l'industrie d'élevage souche a continué à développé tel qu'indiqué dans l'activité annuelle de la SCEA. Un total de 81 700 ont été enregistrés et la propriété de 26 541 animaux a été transférée, et ce, aux noms d'environ 13 000 membres de 52 associations membres, 2 associations américaines, le livre généalogique général et le Projet d'identification canadien. Le nombre total d'unités traités a dépasé ceux de 2001 par plus d'un mille, une augmentation de 0,67%.

La Société canadienne Maine-Anjou est devenue membre au cours de l'année et la SCEA est devenue leur bureau de registre le 1 janvier 2003. De plus, l'Association canadienne de la Suise Brune et Braunvieh a annulé leur avis de quitter la SCEA.

Au cours de la dernière année, beaucoup plus d'informations sont disponibles sur le site internet de la SCEA y compris les demandes d'enregistrement, les listes de tarifs et les règlements administratifs des associations de race – et tous en format à imprimer. Plusieurs des certificats d'enregistrement on été transféré à notre imprimante couleur – près de 75% des certificats d'enregistrement sont maintenant imprimés de cette façon.

Lors de leur assemblée à l'automne, le Conseil d'administration a approuvé l'achat d'équipement document-image pour être utilisé conjointement avec le nouveau système informatique. Cette nouvelle technologie remplace l'ancien système de micro-fiche pour entreposage permanente de documents. Toutes les demandes et autres documents seront maintenant scander directement à la base de données afin de permettre le recouvrement de documents et la reproduction facile de ces derniers par le personnel lorsque nécessaire.

Un nouveau projet majeur en développement pour 2003 est la mise à jour des demandes d'enregistrement électronique disponibles sur le site internet de la SCEA afin d'offrir ce service à plus de races et d'incorporer plusieurs vérifications pour assurer le moindres d'erreurs lors de la transmission.

J'apprécie la chance d'agir comme Gérant général et de travailler avec les éleveurs et le personnel des associations de race et je tiens à remercier les associations membres pour leur confiance dans les services de la SCEA. De plus, je tiens à remercier le Conseil d'administration pour leur appui et le personnel dévoué pour leur service continual.

Ronald K. Black
