# CHAIRMAN'S REPORT

## CHALLENGES - PART II

Last year, I talked about challenges, and not many of them have changed during the last year. Through early 2009, the financial crisis worsened before finally improving by year end. One bright spot is the fact that we met our target for the number of units processed.

With the continued contraction of beef cattle numbers in North America, there may be a downturn in cattle registrations, which has been budgeted for, unless the export market picks up. We can only hope that the other segments of Livestock Records will see a continuation of, or an increase of, their work volumes.

The Board of Directors has tried to make some changes over the past year; some worked, some did not. In 2009, we have had some organizations join CLRC, and I do thank them for their confidence in the work done by the dedicated staff in the office.

It has been my privilege to serve on the Board of Directors for 6 years, the last 2 as Chairman. Thank you to the member associations, the Board of Directors, the management and the staff of CLRC.

Respectfully submitted,  
Bob Airth,  
Chairman

# **RAPPORT DU PRÉSIDENT**

## **DÉFIS – PARTIE II**

L'année dernière j'ai parlé de défis et il n'y en a pas beaucoup qui ont changés au cours de la dernière année. Au début de 2009, la crise financière ne s'est pas améliorée jusqu'à la fin de l'année. Un positif – nous avons rencontré notre but au niveau du nombre d'unités traités au cours de l'année.

Avec la diminution continue du nombre de bovins de boucherie en Amérique du nord, il est fort probable que le nombre d'enregistrements dans ce secteur sera aussi diminué; nous avons inclus ceci dans notre budget; à moins que les exportations s'améliorent. Nous ne pouvons qu'espérer que le volume de travail dans les autres secteurs de la Société canadienne d'enregistrement des animaux continuent tel quel ou augmente.

Le Conseil d'administration a essayé de porter des changements au cours de la dernière année – quelques-uns ont fonctionnés, quelques-uns n'ont pas fonctionnés du tout. Quelques nouvelles organisations se sont joints à la SCEA en 2009 et nous les remercions pour leur confiance dans le travail effectué par le personnel.

Je suis fier d'avoir siégé sur le Conseil d'administration pour 6 ans, les deux derniers comme Président. Je tiens à remercier les associations membres, le Conseil d'administration, la direction et le personnel de la SCEA.

Sincèrement,  
Bob Airth,  
Président

## GENERAL MANAGER'S REPORT

On behalf of the Board of Directors, I am pleased to present this Annual Report of Canadian Livestock Records Corporation for 2009. Already the first decade of the new millennium has passed us by. It seems like only yesterday that we were making the necessary changes to computer programs to go forward into the 2000's.

In summary, there were a total of 115,853 animals of all breeds registered, identified or recorded in 2009, compared to 99,901 in 2008. This increase is due entirely to a significant increase in registrations of swine that resulted from a very strong export market in 2009. These exports included significant numbers of F1 animals (animals with purebred parents of two different breeds), the first time these animal had been registered in any quantity. A total of 19,572 animals were transferred in 2009, less than 100 fewer than in 2008. There was a significant decline of 7.4% in work volume in the equine sector, and an 8.8% decline in sheep from the previous year, but these were offset by a 30.8% increase in work volume for goats, and a 16.4 % increase in swine, and steady numbers in the cattle sector.

During the year, the new computer server purchased in late 2008 was put into operation. Late in the year, a new multi-function printer/copier/scanner was added to the computer system, replacing a number of older machines. We also experienced a virus attack on the computer system in March of 2009. Fortunately, only the operating systems were attacked, and the data and programs that operate the various registries were unharmed.

The transfer of the Canadian Meat Goat Association registry to CLRC was completed in April and May. Late in the year the Belted Galloway Society Inc. from the United States signed a contract to use CLRC's services for its registry, and work is proceeding on the transfer.

The past few years, I am seeing an encouraging trend in that associations are making increasing use of the ancillary services offered by CLRC. These include secretarial services, bookkeeping services, mail outs, and the conduct of mail votes for elections or by-law amendment approvals.

I wish to express my appreciation to the associations for their continued confidence in the services and work done by CLRC, to the dedicated and loyal staff members for their continuing exemplary work, and to Bob Airth and the Board of Directors for their support.

Respectfully submitted  
Ronald K. Black  
General Manager

## RAPPORT DU GÉRANT GÉNÉRAL

Au nom de Conseil d'administration, je suis fier de présenter le rapport annuel 2009 de la Société canadienne d'enregistrement des animaux. Nous sommes déjà passés la première décennie du nouveau siècle. On dirait seulement hier que nous essayions de porter les changements nécessaires aux programmes informatiques pour pouvoir passer aux années 2000.

En résumé, nous avons enregistré ou inscrit un total de 115,853 animaux de toutes races – il n'y en avait que 99,901 en 2008. Cette augmentation est grâce à une augmentation significative dans le nombre d'enregistrements de porcs – le résultat d'un marché d'exportation très puissant en 2009. Ces exportations comprenaient aussi un nombre significatif de sujets F1 (animaux avec parents pursang de races différentes) – la première fois que ce type d'animal est enregistré dans une telle quantité. Un total de 19,572 animaux ont été transférés en 2009 – une différence de moins de 100 en 2008. Il y avait une diminution significatif de 7.4% dans le volume de travail dans le secteur équidé; une diminution de 8.8% dans le secteur ovin mais une augmentation de 30.8% dans le secteur caprin et 16.4% dans le secteur porcin. Les chiffres dans le secteur bovin n'ont pas beaucoup variés.

Au cours de l'année, nous avons activé le nouveau serveur qui été acquis en 2008. Nous avons également remplacé plusieurs vieilles machines avec une nouvelle imprimante/copieur/scanner. En mars 2009, notre système de fonctionnement a été attaqué par un virus – les données et les programmes d'enregistrement n'ont pas été endommagés.

Le transfert des données de l'Association canadienne de la chèvre de boucherie a été complété en avril et mai. Vers la fin de l'année, le Belted Galloway Society Inc. des États-Unis nous a contactés pour utiliser les services que nous offrons.

Le transfert de données devrait être complété sous peu.

Je remarque que les associations membres se servent de plus en plus des services auxiliaires que nous offrons – service de secrétaire, service de comptabilité, envoies postaux et gestion de vote par la poste pour élections ou pour changements à la Constitution.

Je désire exprimer mon appréciation aux associations membres pour leur confiance dans les services offerts et le travail effectué par la SCEA, à la loyauté du personnel pour leur travail exceptionnel et à Bob Airth et le Conseil d'administration pour leur appuie.

Sincèrement,  
Ronald K. Black  
Gérant général
