Bruce E. Hunt, Appointed, 1991-1999.
Ronald K. Black, Appointed 1999.

CHAIRMAN' S REPORT

2010 turned out to be a very successful year for the Canadian Livestock Records Corporation. The number of units processed exceeded our budget by a significant amount. This was due in part to the export markets, new or existing for associations which register their stock with CLRC.

Of significant note in the next few years will be the project of succession planning. As most of you know, the majority of our staff have worked for CLRC for a great number of years. Four of our eight employees have been with us for over 30 years and two more over 25 years. Therefore, we can anticipate the retirement of 75% of our employees within the next ten years. As a Board, we will need to address many changes, and this will give us the opportunity to evaluate the ways which we do business and phase in appropriate changes. At all times, service to the member associations is paramount in our decision making process.

I would invite all of the member associations to forward any suggestions on the improvement, expansion or enhancement of services offered by CLRC, to the management, staff or any member of the Board. We are here to serve your needs and will make every effort to assist you in the successful management of your association.

In closing, I would like to thank our General Manager, Ron Black and the rest of the staff for their diligence and dedication in processing the work in a timely manner. I would also like to thank the Board for the time and effort that they offer to their positions, and for allowing me to serve as Chairman for 2010. As always, the goal of CLRC is to deliver services in an accurate and efficient manner, which allows us to remain a registration service which is held in high esteem both nationally and internationally.

Respectfully submitted,

Mike Rieberger

Chairman

RAPPORT DU PRÉSIDENT

2010 était une année marquée de succès pour la Société canadienne d'enregistrement des animaux. Le nombre d'unités traitées a dépassé notre budget d'un montant important – du en partie aux marchés d'exportation, nouveaux ou existants, des associations membres de la SCEA.

De note importante dans les prochaines années sera la planification de la relève. Comme vous le savez, la majorité des employés de la SCEA y sont pendant déjà plusieurs années – quatre des huit employés y sont pendant déjà plus de 30 ans et deux autres pendant plus de 25 ans. Nous pouvons alors anticiper la retraite de 75% de nos employés dans les prochains dix ans. Le Conseil d'administration devra alors adresser plusieurs changements ce qui nous donnera la chance d'évaluer la façon dont nous faisons affaires. Le service que nous offrons à nos membres est toujours prioritaire lorsque nous prenons des décisions.

Je vous encourage de nous offrir vos suggestions d'amélioration et d'expansion des services actuellement offerts par la SCEA. Notre but est de vous offrir des services utiles et de vous aider dans la gestion efficace de votre association.

Je tiens à remercier notre Gérant général, Ron Black, ainsi que le personnel de la SCEA pour leur dévouement et diligence dans le traitement de toutes transactions soumises. Je tiens également à remercier le Conseil d'administration pour le temps et effort dévoué à leur poste et pour m'offrir la chance de siéger comme président pour 2010. Le but de la SCEA est d'offrir un service unique de façon précise et efficace et qui est reconnue au niveau national et international.

Sincèrement,

Mike Rieberger

Président

GENERAL MANAGER' S REPORT

As we present this report of the activities of Canadian Livestock Records Corporation for 2010, I am happy to be able to report that the increase in work volume on behalf of the member and contract associations that began in the last quarter of 2009 continued right through 2010; thus creating a very positive year for CLRC, your registry office. Total work volume in 2010 increased by just under 5% from 2009. Several factors contributed to this situation, including, the recovering Canadian economy, a strengthening of demand and markets in several species sectors, a significant demand in Russia for Canadian breeding stock, and the addition of the Belted Galloway Society Inc. from the U.S., which is now under contract to CLRC for its registry work. In summary, there were a total of 126,341 animals of all breeds registered, identified or recorded in 2010, an increase from 115,853 in 2009. A total of 20,774 animals were transferred, compared to 19,569 in 2009. All species sectors except equine saw an increase in activity in 2010. In the summer of 2010, the CLRC office experienced an earthquake in June and a lightning strike in August. The earthquake fortunately had no effect, and the lightning caused only minor damage, mostly to our internet equipment. As a result, a change was made to cable internet service.

It is very satisfying to keep hearing of the extensive use that is made of CLRC's website to research pedigrees, check on other information, download forms, and apply for membership and registrations.

As always, I am extremely appreciative of the breed associations for their ongoing confidence in CLRC's services, and the excellent working relationship that we have with the associations. I also am grateful for the loyal, long serving and dedicated staff that we have at CLRC to work with you. Finally, I thank Mike Rieberger and the Board of Directors for their continued support and leadership.

Sincerely
Ronald K. Black
General Manager

RAPPORT DU GÉRANT GÉNÉRAL

En présentant ce rapport des activités de la Société canadienne d'enregistrement des animaux pour 2010, je suis fier de pouvoir vous confirmer que l'augmentation dans le volume de travail qui a débuté dans la dernière partie de 2009 a continuée au cours en 2010. Grâce à cette augmentation, la SCEA, votre bureau de registre, a marquée une année très positive. Le volume total en 2010 a augmenté de presque 5% versus le volume en 2009. Plusieurs facteurs ont contribué à cette situation – l'amélioration de l'économie canadienne, un renforcement de la demande et des marchés dans les secteurs de plusieurs espèces, une demande importante en Russie pour les sujets de reproduction canadiens et l'ajout du Belted Galloway Society Inc. des États-Unis qui est maintenant sous contrat à la SCEA.

Il y avait un total de 126 341 animaux de toutes races enregistrés, identifiés ou inscrits en 2010. En 2009, il y en avait 115 853. Un total de 20 774 animaux ont été transférés. En 2009, il y en avait 19 569. Tous secteurs, sauf les chevaux, ont remarqués une augmentation d'activité en 2010.

Au cours de l'été 2010, le bureau de la SCEA a vécu un tremblement de terre en juin et un coup de foudre au mois d'août. Heureusement, le tremblement de terre n'avait aucun effet et le coup de foudre n'a causé que des dommages mineurs à notre équipement Internet. Suite à ces dommages, nous avons changé à un service d'Internet par câble.

Il est très satisfaisant d'entendre régulièrement que le site de la SCEA est fréquemment utilisé pour rechercher des pedigrees, vérifier des données, télécharger des formulaires, renouveler une adhésion de membre et enregistrer certaines espèces.

Comme toujours, je suis très reconnaissant des associations de races pour leur confiance dans les services offerts par la SCEA et l'excellente relation de travail que nous avons avec chacune de ces associations. Je suis aussi très reconnaissant du personnel dévoué et dédié qui font parti de la SCEA depuis déjà longtemps. Je tiens à remercier Mike Rieberger et le Conseil d'administration pour leur appuie et direction.

Sincèrement,

Ronald K. Black
