CHAIRMAN'S REPORT

I am pleased to report that, despite the uncertainty in the economy, the number of units processed in 2012 met the projected number. We are cautiously optimistic that in 2013 we will again meet the target.

Being a producer of pedigreed livestock is not an easy occupation at the best of times and with the downturn in the economy in recent years it has been especially difficult. It would seem though that there is an appreciation of owning a pedigreed animal and this is reflected in the units of work processed remaining relatively constant throughout the various species.

Swine exports are less frequent than in the past but are continuing and with the various issues in the cattle industry now hopefully resolved, we will see gains in their numbers. Sheep and Goats continue to be steady in their numbers. Some areas of the equine industry are struggling but CLRC is now processing work for the North American Peruvian Horse Association

Last January, Dwayne Shaver joined our staff as a Junior Programmer and is a welcome addition as he assists the Systems Manager, Glenn Clark, with programming and the Registrars with portions of their work. With a reduction in the workload, Glenn is now able to process association requirements in a more timely manner. As well, with input from the Canadian Centre for Swine Improvement and Shawn Snider, Glenn has created the inbreeding co-efficient facility that is now available on-line when researching your animals on the website.

The knowledgeable and dedicated staff, under the direction of General Manager Ron Black, continues to provide the best possible service to our member associations as well as others who use our services.

New furniture has been purchased for the office and the landlord agreed to some much needed updating of flooring, ceilings and painting throughout our area. The floor plan has been updated and walls have been added. Along with the up to date computers, the work environment is now more enjoyable.

In closing, I would like to thank Ron and the rest of the staff for their dedication and their efficient and accurate delivery of service which allows CLRC to remain a registration service held in high esteem both nationally and internationally. I would also like to thank the Board for their support and for the time and energy they bring to their positions and for allowing me to serve as Chair for 2012.

Respectfully submitted

Mary Cork

RAPPORT DE LA PRÉSIDENTE

Je suis fière de reporter, malgré l'économie incertaine, que le nombre d'unités traitées en 2012 a rencontré de nombre projeté. Nous sommes optimistiques que nous rencontrerons nos projections pour 2013.

La production de bétail à pedigree n'est pas un métier facile au meilleur des temps et avec le ralentissement de l'économie dans les années récentes, c'est plus difficile encore. Il paraît, par contre, qu'il y a toujours une certaine appréciation dans les animaux à pedigrees – un fait qui est reflété dans le nombre d'unités traités.

Les exportations de porcs ont beaucoup diminués au cours de la dernière année mais semblent recommencer petit à petit. Avec la résolution de plusieurs questions au niveau de l'industrie bovine, nous anticipons une augmentation dans leurs nombres. Les moutons et chèvres semblent rester constants. Quelques sections de l'industrie équine sont en difficultés mais la SCEA traite maintenant les transactions au nom du North American Peruvian Horse Association.

En janvier 2012, Dwayne Shaver s'est joint au personnel dans le poste de programmeur junior et est une addition bienvenue. Il assiste le Gérant d'informatique, Glenn Clark, avec la programmation et il aide aussi aux Régistres avec des sections précises de leur travail quotidien. Avec une diminution de sa charge de travail, Glenn peut maintenant traiter les requêtes des associations de façon plus efficace. De plus, avec la participation du Centre canadien pour l'amélioration des Porcs et de Shawn Snider, Glenn a réussi à créer un programme qui détermine le coefficient de consanguinité – ces informations sont maintenant disponibles en ligne lorsque vous recherchez vos animaux.

Le personnel connaissant et dévoué, sous la direction de Ron Black, Gérant général, offre toujours le meilleur service possible aux membres ainsi qu'à tout autre qui utilise les services.

Des nouvelles fournitures de bureau ont été achetées et le propriétaire a effectué des rénovations aux planchers et aux plafonds et a repeint le bureau au complet. Le plan du bureau a été remodelé avec l'ajout de murs. Avec des ordinateurs à jour, l'environnement de travail est beaucoup plus agréable.

Je tiens à remercier Ron et le personnel de la SCEA pour leur dévouement et diligence dans la précision des services offerts. Ces efforts permettent la SCEA de rester à la pointe de l'industrie au niveau national et au niveau international. Je tiens également à remercier le Conseil d'administration pour leur appui au niveau du temps et de l'énergie nécessaire à gérer une telle organisation ainsi que de m'avoir offert la chance de siéger comme présidente en 2012.

Sincèrement,

Mary Cork
Présidente

GENERAL MANAGER'S REPORT

The Board of Directors and I are pleased to present this report of the activities of Canadian Livestock Records Corporation for 2012. Registration and transfer activity continued to be strong throughout the year and the Board of Directors and management were involved with a number of activities through the year to expand and improve the services offered.

In summary, there were a total of 133,169 animals of all breeds registered, identified or recorded in 2012, compared to 140,844 in 2011. A total of 22,137 animals were transferred compared to 22,668 in 2011. This work was done on behalf of the 50 active member associations, 6 contract associations and the General Stud and Herd Book and Canadian Identification Project. Membership in the associations totalled 11094.

During the year, the development of the registries for the North American Peruvian Horse Association (NAPHA) and the Peruvian Horse Association of Australasia was completed and implemented and CLRC is now serving the members of those associations. As the years go by, CLRC is definitely becoming more international, which speaks to the reputation your organization has worldwide. We have also recently added show records for NAPHA to the CLRC website.

As Mary Cork has mentioned in her report, the most recent project at CLRC has been the development of software to calculate inbreeding coefficients for each animal in the CLRC database and to display those coefficients and the related tables of repeating ancestors on our website. In the near future, a utility will be added to the website whereby breeders can calculate the inbreeding coefficients of the offspring of potential matings. I wish to thank Systems Manager Glenn Clark and all who have assisted him in bringing this project to fruition.

The staff at CLRC is very much enjoying the renovated office space. The brighter colours and updated furniture and flooring are much appreciated. Many thanks to Holly Reid of D.M. & M. Realty Ltd. for the work that she had done for us.

I am sure that 2013 will be another interesting year for all of us in the livestock industry, and we at CLRC look forward to serving the breeders again this year.

I once again wish to thank the breed associations for their patronage and cooperation, Chairman Mary Cork and the CLRC Board of Directors for their continued leadership and vision, and the dedicated CLRC staff who make it all happen every day.

Sincerely

Ronald Black

General Manager

RAPPORT DU GÉRANT GÉNÉRAL

Le Conseil d'administration et moi sommes fier de présenter ce rapport des activités de la Société canadienne d'enregistrement des animaux pour 2012. Les enregistrements et les transferts étaient consistants au cours de l'année. Le Conseil d'administration et le bureau de direction ont participé à plusieurs activités pour développer et améliorer les services offerts.

Il y avait un total de 133,169 animaux de toutes races enregistrés, identifiés ou inscrits en 2012 – en 2011, il y avait 140,844. Un total de 22,137 animaux ont été transférés. En 2011, il y en avait 22,668. Ces transactions ont été traitées aux noms de 50 associations membres actives, 6 associations sous contrat, le Livre généalogique général et le Projet d'identification canadien. Il y avait 11,094 adhésions de membres dans toutes les associations.

Au cours de l'année, le développement des registres du North American Peruvian Horse Association (NAPHA) et le Peruvian Horse Association of Australasia a été complété et la SCEA est maintenant au service de ces clients. À mesure que les années passent, la SCEA devient de plus en plus internationale – ce qui témoigne la réputation de la SCEA au niveau mondial. Récemment, nous avons ajouté les résultats expositions pour les membres NAPHA à notre site internet.

Tel que mentionné dans le rapport de Mary Cork, le projet le plus récent à la SCEA est le développement de logiciel pour calculer le coefficient de consanguinité pour chaque animal dans la base de données de la SCEA et d'afficher ces coefficients et les tableaux relatifs aux ancêtres qui se répètent sur notre site internet. Prochainement, un outil de calcul sera ajouté au site internet avec lequel les éleveurs pourront calculer le coefficient de consanguinité pour des accouplements potentiels. Je tiens à remercier notre Gérant d'informatique, Glenn Clark, et tous ceux qui lui ont aidé dans le développement de ce projet.

Le personnel profite de l'espace de bureau rénové. Les couleurs vifs, les nouvelles fournitures de bureau et le tapis sont appréciés. Nous tenons à remercier Holly Reid de D.M. & M. Realty Ltd. pour le travail qu'elle a fait pour nous.

Je suis certain que 2013 sera une année intéressante pour l'industrie du bétail et nous anticipons travailler avec les éleveurs encore cette année.

Encore une fois, je tiens à remercier les associations de race et leurs Conseil d'administration, leurs membres et leur personnel pour leur confiance dans les services offerts par la SCEA, Présidente Mary Cork et le Conseil d'administration de la SCEA pour appuie et direction ainsi que le dévouement du personnel de la SCEA.

Sincèrement,

Ronald K. Black
