REPORT OF THE CHAIR

I would like to welcome you to Ottawa to the 111th Annual Meeting of Canadian Livestock Records Corporation. In 2015 we see some changes at CLRC including the welcoming of our new General Manager, Jim Washer. Jim brings a new perspective to CLRC and I hope you will all have a chance to meet with him over the coming months.

Last year at our meeting in Calgary we had an outstanding endorsement of the importance of the Animal Pedigree Act and CLRC from both members and non-member breed associations. Over 70 people traveled to Calgary from coast to coast to voice their support. I am hopeful that the industries endorsement will mean the continuance of this important legislation for pedigreed seed stock breeders.

As we move forward we are embarking on the development of a strategic plan. It is our hope that all members will provide input on what they see as important in the future direction of CLRC. All Associations and members will be asked to participate through the surveys being sent out or at the workshop at this annual meeting. The purebred livestock industry in Canada provides some of the best genetics both for domestic and international use. As your registry we strive to provide the most accurate and useful systems possible. Over the past few years we have managed to do this and still hold our rate increases to significantly less than the rate of inflation. As we move forward it will be necessary to adjust some of our rates upward to compensate for the declining numbers of purebred animals being registered. As always we will endeavour to keep our services as reasonably priced as possible.

I would like to thank the CLRC staff for their commitment and hard work in providing us with accurate quality registry services.

I would also like to thank the Board of Directors for their time and dedication, and the guidance that they offer to CLRC. Many hours and days are devoted to CLRC business and their commitment is commendable.

As always it will continue to be the focus of CLRC to be a worldwide leader in the efficient and accurate delivery of registration services for our Members as they continue to provide top seed stock to Canada and the world.

Respectfully submitted
Dan Stephenson
Chairman

Rapport du Président

Je vous souhaite la bienvenue à Ottawa pour la 111^{ième} Assemblée générale annuelle de la Société canadienne d'enregistrement des animaux. En 2015, nous marquons plusieurs changements à la SCEA y compris un nouveau Gérant général, Jim Washer. Jim apporte avec lui un nouveau perspectif pour la SCEA et j'espère que vous ayez tous la chance de lui rencontrer.

Lors de notre assemblée l'année dernière à Calgary, nous avons reçu une approbation exceptionnelle sur l'importance de la Loi sur la généalogie des animaux et la SCEA de membres et de non-membres des associations que nous servons. Plus de 70 personnes ont fait le voyage à Calgary pour participer à cette assemblée. J'espère que l'approbation de l'industrie signifie la continuité de cette législation importante aux éleveurs.

Nous sommes dans le processus de développer un plan stratégique. Nous espérons que tous les membres prendront le temps de nous communiquer ce qu'ils trouvent important pour le futur de la SCEA. Toutes les associations et leurs membres seront demandés de participer au sondage que nous avons fait circulé ou à l'atelier lors de la présente AGA.

L'industrie de bétail de race pure au Canada fournit certains des meilleurs génétiques à la fois pour l'usage domestique et international. Comme votre base de registre, nous nous efforçons de fournir les systèmes les plus précises et utiles possibles. Au cours des dernières années, nous avons réussi à le faire et à maintenir nos augmentations de taux à beaucoup moins que le taux d'inflation. Alors que nous avançons, il sera nécessaire d'ajuster certains de nos taux pour compenser la diminution dans le nombre d'animaux de race pure étant enregistrés. Comme toujours, nous nous efforcerons de maintenir le prix de nos services à un taux raisonnable.

Je tiens à remercier le personnel de la SCEA pour leur engagement et leur travail acharné en nous fournissant des services de registres précis et de qualité.

Je tiens également à remercier le Conseil d'administration pour leur temps et leur dévouement et les conseils qu'ils offrent à la SCEA. De nombreuses heures et journées sont consacrées aux affaires de la SCEA et leur engagement est admirable.

Comme toujours, la SCEA continuera ses efforts d'être un leader mondial dans la prestation efficace et précis des services de registre pour nos membres tout en continuant de fournir une qualité supérieure de stock de remplacement au Canada et au niveau international.

Respectueusement,
Dan Stephenson
Président

General Manager's Report

It is an honour to present this report, as I embark on my new role as General Manager for the Canadian Livestock Records Corporation.

During this short period of transition, I have had the opportunity to meet by phone and conference call with many of you across the country. It has been a pleasure getting to know you, and I look forward to the opportunity of meeting face to face. I do plan on attending several events, as the budget permits, to learn from you, to listen to your concerns, and to identify how best to work together.

To summarize the activity, we saw an increase in the total number of animals of all breeds registered, identified or recorded in 2014, (156,170 vs 101,280 from the previous year), and a total of 23,632 animals were transferred compared to 21,050 in 2013. This work was done on behalf of the 48 active member associations, 7 contract associations and the General Stud and Herd Book and Canadian Identification Project.

However, consistent with the past few years, we also saw a decline in the number of Units processed. Representing a drop of 4.4% (112,334 from 117,412), we recognize this is a trend that cannot continue without consequences. We are pleased to welcome Red Devon as a new breed registry, and look forward to working with Aubrac in the new year as work continues to set up their registry.

With a long and purposeful history, we recognize the important role that CLRC has working with breeders, breed associations, and other partners in safeguarding the integrity of Canada's pedigree livestock. Along with the Board of Directors, I am committed to developing a strategic business plan that will address the issues of Service, Cost and Quality, and provide guidance to the Board, Staff and key stakeholders for the next several years. All member Associations and individual breeders will have the opportunity for input through surveys, workshops and other means into the direction that CLRC should embark in order to provide long term quality and sustainable services.

In response to immediate needs to support technical operations, we recently invested in upgrading a number of our computers and systems. We will continue to monitor and budget accordingly in the coming year to allow for a progressive integration of new systems as required.

I would like to express my appreciation to everyone for their support, especially the Board for their continued leadership, and the dedicated staff who work diligently and sincerely on behalf of the individual breeders every day. As we move forward in a challenging environment, I am excited to be working towards the next stage of CLRC's future.

Sincerely,

Jim Washer
General Manager

Rapport du Directeur Général

C'est un honneur de présenter ce rapport alors que j'entame mon nouveau rôle de Directeur général de la Société canadienne d'enregistrement des animaux.

Pendant cette courte période de transition, j'ai eu l'occasion de rencontrer plusieurs d'entre vous par téléphone et conférence téléphonique. Il a été un plaisir de faire votre connaissance, et j'ai hâte d'avoir l'occasion de vous rencontrer face à face. J'ai l'intention de fréquenter plusieurs événements, comme le budget le permet, afin d'apprendre de vous, pour écouter vos préoccupations et d'identifier la meilleure façon de travailler ensemble.

Pour résumer l'activité, nous avons remarqué une augmentation dans le nombre total d'animaux de toutes races enregistrés, identifiés ou inscrits en 2014 (156,170 vs 101,280 pour l'année précédente) et un total de 23,623 animaux ont été transférés en 2014 – en 2013 il y en avait 21,050. Ces transactions ont été traitées aux noms de 48 associations membres actives, 7 associations sous contrat, le Livre généalogique général et le Projet d'identification canadien.

Cependant, compatible avec les quelques dernières années, nous avons également vu une baisse dans le nombre d'unités traitées. Représentant une diminution de 4,4%, nous reconnaissons que c'est une tendance qui ne peut pas continuer sans conséquences. Nous sommes fiers de souhaiter la bienvenue à la race Red Devon et nous avons hâte de commencer le travail avec la race Aubrac au début de l'année prochaine.

Avec une histoire longue et utile, nous reconnaissons le rôle important que SCEA a à travailler avec les éleveurs, les associations de race et d'autres partenaires dans la préservation de l'intégrité du pedigree d'animaux au Canada. Avec le Conseil d'administration, je me suis engagé à élaborer un plan d'affaires stratégique qui abordera les questions de service, de coût et de qualité, ainsi que de fournir des orientations au Conseil, le personnel et les intervenants clés pour les prochaines années. Toutes les associations membres et les éleveurs individuels auront l'occasion de contribuer à travers des enquêtes, des ateliers et d'autres moyens dans la direction qui la SCEA devrait s'engager afin de fournir à long terme la qualité et les services durables.

En réponse aux besoins immédiats pour soutenir les opérations techniques, nous avons récemment investi dans la mise à jour d'un certain nombre de nos ordinateurs et systèmes. Nous allons continuer à surveiller et budgéter en conséquence au cours de l'année à venir pour permettre une intégration progressive de nouveaux systèmes selon les besoins.

Je tiens à exprimer ma gratitude à tous pour leur soutien, en particulier le Conseil pour leur leadership, et le personnel dévoué qui travaillent diligemment et sincèrement au nom des éleveurs individuels chaque jour. Alors que nous avançons dans un environnement difficile, je suis heureux de travailler vers la prochaine étape de l'avenir de la SCEA.

Sincèrement,

Jim Washer
Directeur général
