Chairman's Report

I first of all would like to thank everyone for joining today. We would rather be in person but at the time of planning the AGM there was still too much uncertainty with the pandemic, and after realizing the significant cost savings, it's hard to ignore what that does to an already stringent budget. That being said I hope there is a time that we can get together in person sometime in the not too distance future.

Along with missing seeing you all in person, we also are missing our General Manager Jim Washer who is dealing with a medical issue of his own, and without getting into the details of his illness, he is undergoing treatments and is in very good spirits and handling the effects associated with his treatments better than his doctors' expectations. We want to wish Jim a speedy and full recovery from his illness. In the meantime, we are fortunate to have Ron Black step in and fill the immediate void this creates. For a more medium to long term solution CLRC has entered into a contract with the Canadian Centre for Swine Improvement to take on some of the management and administration and potentially some IT support in Jim's absence and possibly even a longer term collaboration upon Jim's return. Many other staff members have also pitched in to help in Jim's absence and I want to thank all the staff for their extra efforts.

Onto the business of CLRC. As you will see in the financial report CLRC had a successful year. We need to be careful how we interpret that gain as much of this is from a settlement received from one of our association's resignation and a buyout in lieu of continuing for an extra year. It does give us a year to make the necessary adjustments as this money will not be available to us next year. That being said we need to prioritize what the most important activities are in ensure the best service we can provide in both a timely and cost effective way. Expect changes to be introduced throughout 2022.

Much focus and time is currently being spent on the registry development and integrated genetics projects. We have various staff working on these projects and your board feels that the outcomes from these projects will guide in determining what is best for all associations going forward.

In closing I want to thank all of my fellow board members for all their dedication in serving on the CLRC board. I would also like to thank all the staff for their dedication in working in strange times and still managing to get the job done and finally thanking all of you representing your respected associations and joining in today.

Respectfully submitted

Dave Vandenbroek

Rapport du Président

Je tiens tout d'abord à remercier tout le monde de s'être joint à nous aujourd'hui. Nous préférierions être en personne, mais au moment de la planification de l'AGA, il y avait encore trop d'incertitude avec la pandémie, et après avoir réalisé les économies de coûts importantes, il est difficile d'ignorer ce que cela fait à un budget déjà strict. Cela étant dit, j'espère qu'il y aura un moment où nous pourrons nous réunir en personne dans un avenir pas trop lointain.

En plus de manquer de vous voir tous en personne, nous manquons également notre directeur général Jim Washer qui fait face à un problème médical qui lui est propre, et sans entrer dans les détails de sa maladie, il suit des traitements et est de très bonne humeur et gère les effets associés à ses traitements mieux que les attentes de ses médecins. Nous souhaitons à Jim un prompt et complet rétablissement de sa maladie. En attendant, nous avons la chance d'avoir Ron Black qui intervient et comble le vide immédiat que cela crée. Pour une solution à plus moyen et à long terme, la SCEA a conclu un contrat avec le Centre canadien pour l'amélioration des Porcs Inc pour prendre en charge une partie de la gestion et de l'administration et potentiellement un certain soutien informatique en l'absence de Jim et peut-être même une collaboration à plus long terme à son retour. De nombreux autres membres du personnel sont également intervenus pour aider en l'absence de Jim et je tiens à remercier tout le personnel pour leurs efforts supplémentaires.

Sur les affaires de la SCEA. Comme vous le verrez dans le rapport financier, la SCEA a connu une année réussie. Nous devons faire attention à la façon dont nous interprétons ce gain, car une grande partie de ce gain provient d'un règlement reçu de la démission de l'une de nos associations et d'un rachat au lieu de se poursuivre pendant une année supplémentaire. Cela nous donne un an pour faire les ajustements nécessaires, car cet argent ne sera pas disponible pour nous l'année prochaine. Cela étant dit, nous devons prioriser les activités les plus importantes pour assurer le meilleur service que nous pouvons fournir en temps opportun et de manière rentable. Attendez-vous à ce que des changements soient introduits tout au long de 2022.

On consacre actuellement beaucoup de temps et d'attention à l'élaboration de registres et à des projets de génétique intégrée. Nous avons divers employés qui travaillent sur ces projets et votre conseil d'administration estime que les résultats de ces projets aideront à déterminer ce qui est le mieux pour toutes les associations à l'avenir.

En terminant, je tiens à remercier tous les membres de mon conseil d'administration pour tout le dévouement qu'ils ont fait au conseil d'administration de la SCEA. Je tiens également à remercier tout le personnel pour leur dévouement à travailler dans des moments étranges et à réussir à faire le travail et enfin à remercier tous ceux d'entre vous qui représentent des associations respectées et qui se joignent à nous aujourd'hui.

Respectueusement soumis

Dave Vandenbroek

General Manager's Report

To all breeders and association representatives, I am pleased to report to you on behalf of the Canadian Livestock Records Corporation (CLRC).

The Annual Meeting scheduled for April in Calgary, has again been scheduled to be held by Zoom videoconference due to Covid. However, staff have proven that working remotely is a feasible alternative, albeit not perfect. As we head into another year we will look at developing specific policies and parameters to ensure staff are in the office several days per week to address customer inquiries, quickly and efficiently.

As with most every industry, CLRC had difficulties finding and retaining qualified long term additional or replacement staffing this past year, and this remains another challenge we will address in the coming year, particularly in our systems and software department, and frontline service. Staff will continue to be outfitted with new laptops in order to be more effective and efficient working remotely.

The CLRC year-end results for 2021 are positive. The Units (work production) finished the year at - 1.7% from the previous year, close to our target, and providing a financial year-end surplus.

The budget for 2022 is presented by the Board based on projected increased expenses and investments in CLRC staffing and resources, and a slight increase of .15 cents in Unit costs. The Board and management feel the increase is necessary to ensure we can meet our aggressive goals in 2022 and beyond.

As promised at last year's Annual Meeting, the Board and Management embarked on the strategic direction of reviewing the current database system and front end delivery. As such, a Request for Proposals was developed, and we are in the final stages of reviewing if the proposals received will meet our goals. This will be presented shortly for further input from all association reps.

This project is in collaboration with another significant development. Being led by the Canadian Centre For Swine Improvement (CCSI), CLRC is a partner organization, along with the Canadian Sheep Breeders Association, the Canadian Goat Society, and the Canadian Meat Goat Association in developing an Integrated Genetic Services Project for Multiple Species. This project is funded in part by the Government of Canada under Agriculture and Agri-Food Canada's Canadian Agricultural Strategic Priorities Program.

I would like to recognize the CLRC staff who continue to work on behalf of the breed associations and individual breeders. The base team we currently have is strong, committed and looking forward to the future developments being discussed. I would also like to thank the breeders for their patience during these trying times over the last two years

Finally, I would like to thank the Board of Directors for their continued support and leadership in representing all Associations with CLRC. The Board is committed to filling any vacant position(s) with committed and effective member representatives. I believe we have a very strong team heading into 2022, and I look forward to a positive report forward.

Respectfully submitted,
Jim Washer
General Manager

Rapport du directeur général

À tous les éleveurs et représentants d'associations, j'ai le plaisir de vous vous présenter ce rapport au nom de la Société canadienne d'enregistrement des animaux (SCEA).

L'assemblée annuelle prévue en avril à Calgary a de nouveau été planifiée par vidéoconférence Zoom en raison de Covid. Cependant, le personnel a prouvé que le travail à distance est une alternative réalisable, bien qu'imparfaite. Alors que nous nous dirigeons vers une autre année, nous envisagerons d'élaborer des politiques et des paramètres spécifiques pour nous assurer que le personnel est au bureau plusieurs jours par semaine pour répondre aux demandes des clients, rapidement et efficacement.

Comme dans la plupart des industries, la SCEA a eu de la difficulté à trouver et à retenir du personnel supplémentaire ou de remplacement qualifié à long terme au cours de la dernière année, et cela demeure un autre défi que nous relèverons au cours de la prochaine année, en particulier dans notre département des systèmes et des logiciels, et dans le service de première ligne. Le personnel continuera d'être équipé de nouveaux ordinateurs portables afin d'être plus efficace et efficient en travaillant à distance.

Les résultats de fin d'année de la SCEA pour 2021 sont positifs. Les unités (production de travail) ont terminé l'année à -1,7% par rapport à l'année précédente, proche de notre objectif, et générant un excédent de fin d'exercice.

Le budget pour 2022 est présenté par le Conseil d'administration en fonction de l'augmentation prévue des dépenses et des investissements dans le personnel et les ressources de la SCEA, ainsi que d'une légère augmentation de 0,15 cent des coûts unitaires. Le conseil d'administration et la direction estiment que l'augmentation est nécessaire pour s'assurer que nous pouvons atteindre nos objectifs ambitieux en 2022 et au-delà.

Comme promis lors de l'assemblée annuelle de l'an dernier, le Conseil d'administration et la direction se sont lancés dans l'orientation stratégique consistant à examiner le système de base de données actuel et la livraison initiale. À ce titre, une demande de propositions a été élaborée, et nous en sommes aux dernières étapes de l'examen de la question de savoir si les propositions reçues répondront à nos objectifs. Celui-ci sera présenté sous peu pour que tous les représentants d'associations puissent y contribuer.

Ce projet est en collaboration avec un autre développement important. Dirigé par le Centre canadien pour l'amélioration des porcs Inc. (CCAP), la SCEA est un organisme partenaire, de concert avec la Société canadienne des éleveurs de moutons, la Société canadienne des éleveurs de chèvres et l'Association canadienne de la chèvre de boucherie, dans le cadre de l'élaboration d'un projet de services génétiques intégrés pour plusieurs espèces. Ce projet est financé en partie par le gouvernement du Canada dans le cadre du Programme des priorités stratégiques agricoles canadiennes d'Agriculture et Agroalimentaire Canada.

J'aimerais remercier le personnel du CLRC qui continue de travailler au nom des associations de races et des éleveurs individuels. L'équipe de base que nous avons actuellement est forte, engagée anticipe les développements futurs discutés. Je tiens également à remercier les éleveurs pour leur patience en ces temps difficiles au cours des deux dernières années.

Enfin, j'aimerais remercier le Conseil d'administration pour son soutien continu et son leadership dans la représentation de toutes les associations auprès de la SCEA. Le Conseil s'engage à pourvoir tout poste vacant avec des représentants des membres engagés et efficaces. Je crois que nous avons une équipe très solide à l'approche de 2022, et j'attends avec impatience un rapport positif.

Respectueusement soumis,

Jim Washer

INDEPENDENT AUDITOR'S REPORT

To the Members of Canadian Livestock Records Corporation

Opinion

We have audited the accompanying financial statements of Canadian Livestock Records Corporation ("the Corporation"), which comprise the statement of financial position as at December 31, 2021, and the statements of operations, changes in net assets (liabilities), and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2021, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

Phone: 613-963-1430 (1-866-999-1339)

Fax: 613-686-3960 (Perth local 613-267-3949)

acctg@khmpc.ca

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these financial statements.

CANADIAN LIVESTOCK RECORDS CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

1. STATUS AND PURPOSE OF ORGANIZATION

The Canadian Livestock Records Corporation ("the Corporation") is a non-profit organization that was established under section 35 of the Animal Pedigree Act. The Corporation is the national pedigree service for purebred and non-purebred livestock in Canada. The Corporation is a non-profit organization under the Income Tax Act and, as such, is exempt from income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Term Deposits

The Corporation initially measures its term deposits at fair value. The Corporation subsequently measures its term deposits at amortized cost, and tests for impairment when there are indicators of possible impairment.

Capital Assets

Capital assets are recorded at cost and amortized on the basis of their useful life using the following methods and durations:

Computer software and equipment	- 5 years straight-line basis
Office equipment	- 5 years straight-line basis

Intangible Assets

Intangible assets are recorded at cost and amortized on the basis of their useful life using the following methods and durations:

Website	- 5 years straight-line basis
Server	- 5 years straight-line basis

The Corporation capitalizes development costs when Management believes they will generate future benefits and that all the criteria for capitalization are met.

CANADIAN LIVESTOCK RECORDS CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of Long-Lived Assets

When a tangible capital asset or intangible asset no longer has any long-term service potential to the Corporation, the excess of its net carrying amount over any residual value is recognized as an expense in the Statement of Operations.

Sick Leave

The Corporation has a sick leave policy which currently allows the payment of two days of accumulated sick leave per complete year of service to a maximum of 60 days. The payment is due to all terminated full-time employees employed for ten years or more as long as termination is not for cause. The current provision is intended to fully provide for this potential liability should all employees be eligible for the maximum pay-out.

Reserve Fund

The reserve fund represents an accumulation of operating surpluses and deficits less interfund transfers over the life of the Corporation. The purpose of the reserve fund is to assist in the funding of future capital outlays and to cover operating deficits. Upon withdrawal, member associations are entitled to their share of the reserve fund and are responsible for their share of a reserve fund deficit.

Internally Restricted Fund

The internally restricted fund ensures operating capital in the situation that employees entitled to severance payouts for accumulated sick leave, vacation or overtime, leave and there are insufficient funds in the operating budget to fully pay the amounts owing to them. The funds may be used to cover severance for employees retiring or quitting, or from necessary organizational downsizing. No amount was allocated for the year ended December 31, 2021 (2020 - \$nil).

Foreign Currency Translation

Monetary assets and liabilities denominated in foreign currencies are translated into Canadian dollars at exchange rates in effect at year end. Revenues and expenses are translated at the rate of exchange prevailing at the time of the transactions. Exchange gains and losses resulting from the translation of these amounts are recorded in the Statement of Operations.

CANADIAN LIVESTOCK RECORDS CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Corporation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue in the year received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

All other revenues are recognized when services are rendered. Use of

Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires Management to make estimates and assumptions that affect the reported amount of assets and liabilities, and contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

3. CASH

The cash balance includes amounts belonging to unrelated groups for whom the Corporation deals with in a foreign currency. Funds of \$34,832 USD (2020 - \$25,010 USD) and \$925 CAD (2020 - \$973 CAD) are held within the Corporation's bank accounts. The corresponding trust obligation is recorded in accounts payable and accrued liabilities.

4. TERM DEPOSITS AND ACCRUED INTEREST

Term deposits include a redeemable, guaranteed investment certificate earning interest at 0.40% (2020 - 0.55%) and maturing in July 2022.

CANADIAN LIVESTOCK RECORDS CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

5. CAPITAL ASSETS

	Cost	Accumulated Amortization	2021 Net Book Value	2020 Net Book Value
Computer software and equipment	\$ 119,954	\$ 119,954	\$ -	\$ 1,674
Office equipment	56,181	47,444	8,737	3,631
	\$ 176,135	\$ 167,398	\$ 8,737	\$ 5,305

6. INTANGIBLE ASSETS

	Cost	Accumulated Amortization	2021 Net Book Value	2020 Net Book Value
Website	\$ 10,000	\$ 6,000	\$ 4,000	\$ 6,000
Server	34,077	27,260	6,817	13,632
	\$ 44,077	\$ 33,260	\$ 10,817	\$ 19,632

7. CEBA LOAN

The Canada Emergency Business Account (CEBA) is an interest-free loan and \$20,000 of the loan is forgivable if the Corporation repays the loan in full on or before December 31, 2023. If the loan is not repaid by that date, the loan can be converted to a two-year term loan at an interest rate of 5%.

In May 2021, the Corporation commenced repayments of CEBA of \$2,000 per month (total of \$16,000 for the year).

8. CONTRACTUAL OBLIGATIONS

The Corporation leases its premises, including common charges for utilities and waste removal, under an agreement expiring in December 2024. In addition, the Corporation leases various equipment under an agreement expiring in July 2026. Future minimum lease payments are required as follows:

2022	-	\$ 56,813
2023	-	56,813
2024	-	56,813
2025	-	14,300
2026	-	7,150

9. FINANCIAL INSTRUMENTS

The Corporation's financial instruments consist of cash, term deposits and accrued interest, other receivables, due from Breed Associations, accounts payable and accrued liabilities, accrued vacation pay, sick leave provision, and CEBA loan. It is Management's opinion that the fair value of these instruments is not materially different than their cost and that the Corporation is not exposed to significant credit, interest rate, foreign currency or liquidity risk.

Credit Risk

The Corporation is exposed to credit risk in the event of non-performance by counterparties in connection with its receivables. The Corporation provides credit to its members in the normal course of its operations and assesses, on a continuous basis, these receivables on the basis of amounts it is virtually certain to receive.

Interest Rate Risk

The Corporation is exposed to interest rate risk with respect to its interest-bearing term deposits.

Foreign Currency Risk

At December 31, 2021, cash of \$2,587 (2020 - \$1,076) are denominated in US dollars and converted into Canadian dollars.

Liquidity Risk

The Corporation is exposed to the liquidity risk mainly in respect of its accounts payable and accrued liabilities, accrued vacation pay, and sick leave provision.

There have not been any changes in the risks from the prior year.
