IMPORT FEES

Once a US registered Belgian is purchased by a Canadian resident, the US certificate is no longer active.

A US transfer must be sent to the US Belgian Corp. The US Belgian Office will then send an email to the CBHA office with the name of the horse(s) and Canadian buyer(s). The CBHA Office will send a copy of the US papers for the Canadian buyer to verify the markings match the horse you bought. Those papers need to be signed and returned to the CBHA office with Import fee in order for a Canadian certificate to be issued.

0-6 months from Wabash date	\$55.00
After 6 months	\$120.00

DNA FEES

All fillies born January 1, 2019 and after are required to be DNA tested prior to registration. All breeding stallions require DNA&JEB results on file before registering their offspring (tested through CBHA or US Belgian Corp.)

All test include DNA and Parentage Verification (when info is available) Any Belgian whose parents are both DNA&JEB tested non-carriers of JEB, qualifies for "Parentage Verified non-carrier of JEB" and does not require JEB testing, but only needs a DNA test to prove parentage.

Send certificate or registration application of horse to be tested to the CBHA office with DNA fee. CBHA office will email or mail the kit.

You must PULL strands of hair from the mane and attach it to the kit. Pull the hair so that the bulb at the end is still attached. If there is no bulb at the end of the hair the lab will not be able to do any testing.

Mail kit to lab. When results are available the CBHA will record results and update certificate, returning it to the current owner.

DO NOT SEND HAIR TO CBHA OFFICE

Kits must be used within 2 months of processing date or fees are forfeited to CBHA.
